**Statement of Reasons for Allowance**

1. Claim 22 is allowable for the reasons set forth in paragraph 8 of the office action mailed 3/28/01.

Claims 2-21 and 23-56 are deemed to be allowable for the reasons set forth in the Board decision mailed 1/29/04.

With respect to claim 24, it is noted, as set forth by applicants on page 17 of the amendment filed 3/26/04, that although the Board entered a new ground of rejection against claim 24, given that claim 24 recites the exact list of nonpolymeric aldehyde viscosity modifiers recited in claim 10, which the Board has held to be allowable, claim 24 is also allowable.

Thus, present claims 2-56 are passed to issue.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
